A warm day, but not as hot as 2006 plus a stiff breeze on the loop made this two lap course another good test for many of the athletes taking part. Steve Hallas and Caroline Betmead both set course records, in this the second year, on an accurately measured course on the outskirts of Lytham.

Special thanks to Colin Laidlaw for organising the course and facilities. Thanks to Barry Cooke, Tony Croft and John Bertenshaw for marshalling.

Results and photos will be on the CSAA Website at www.csaa.org.uk

Finally, a very special thank you to Andrea Smith for providing the buffet, which I am sure you all enjoyed.
