CIVIL SERVANTS.

THE features at the Civil Service sports at Scotstoun on Saturday were the ten miles road race, the visit of leading London lady sprinters, and the English and Irish Civil servants who were taking part.

In the inter-Services relay contests Duncan Wright, as was anticipated, finished first in the ten miles road race in the good time of 56min. 49sec. He was followed home by a clubmate A. W. Adams, who was 50sec. behind. Since taking part in the Windsor to London marathon contest last Saturday Adams has raced 30 miles, not bad going for one of Wright's proteges.

The cynosure of all eyes was the presence of the lady sprinters. Miss Pope was a competitor in the special scratch sprint. By the narrowest of margins she beat a colleague, Miss Hiscock, but on the way to the final she disposed of Scotland's uncrowned lady champion, Miss Urquhart (Ministry of Labour).

The English team, P. C. Smart, P. A. Gummer, L. F. Northam and H. Titherley, was too good for the opposition in the inter-Services relay race. Ireland finished second. The English ladies headed by Miss Pope proved too strong in their department and they obtained an extremely easy victory over the Irish ladies in the one lap relay. It was an object lesson on the passing of the baton.
