

THE CSAA 160th ANNIVERSARY CHALLENGE

Founded in 1864 the Civil Service Athletic Association lays claim to be the oldest Athletic Association in the World

Why not come along to Battersea Park, London on 17th April 2024 to participate in either the 5k Fun Run (Run or Walk) or the 10k Race and celebrate this Anniversary occasion.

Organised by CSAA, in conjunction with CSSC, under UKA Rules, the 10k event was first held in 1986 in Battersea Park but over a slightly different course.

The Men's Winner that day was Damian McGrath (IR) in 30.33 whilst Sharon Astley (DHSS) took the Women's Title with 35.02.

Can you better those times in 2024 in the 37th Running of this Race?
