## AW Reporting on the Centenary Year of the Founding of the CSAA

### RECORDS TUMBLE IN CIVIL SERVICE CHAMPIONSHIPS

By Jack Swinton

THE centenary year for Civil Service athletics was celebrated in fitting manner when seven records were broken in the championships held at Hurlingham Park on Saturday, July 18th. This despite a heavy track that was not conducive to fast times. Heavy rain had fallen in the morning and intermittent showers throughout the afternoon made it heavy going.

In the three miles Peter Mellor came out determined to regain the title he lost to Geoff. North last year. Setting a fast pace, Mellor and North went through the mile in 4:37. Then the slightly built but tenacious Mellor steadily opened a gap to pass the two miles in 9:16 and win in the record time of 13:49.6.

Another past versus present champion encounter resulted in both breaking the old record in the 880 yards. Current holder Dave Huffer and former champion Terry Keen made it a two-man race from the gun. Huffer led at the bell in 55 secs. and then Keen eased past in the back straight. But Huffer, determined to keep the attractive Inverforth Challenge Cup on his sideboard for another year, came again to break the tape in 1:51.5 secs. with Keen only 0.3 secs. behind. Both were well inside Peter Stauden's old time of 1:52.5. Geoff. Pymn then set a new best in the 3000m. steeplechase. He spreadeagled the field to romp home in 9 mins. 17 secs.

There was a thrilling finish to the men's Javelin event. Holder John Webster and Ken Jaynes each threw 184'11". All rounder Webster got the verdict with a better second throw, and then showed his versatility by winning the Pole Vault and coming third in the Hammer.

The ladies jumped on to the record breaking bandwagon too. Mary Tranter led the way with an excellent 11.0 secs. "100" and followed with 18'11" in the long jump. Miss Tranter completed a fine treble, which won her the Jubilee Challenge Bowl, by winning the furlong in 25.1 secs., only 1/10th of a sec. outside the best time she set last year. Next it was the turn of international high jumper Gwendia Matthews. She cleared 5'5" in this event and then went on to win the 80m. hurdles easily in 12.5 secs.

**Athletics Champion**

FOR the first time in the history of the event a Leicester man, T. H. Barratt, of the NGTE, carried off the Jubilee Challenge Bowl at the 75th annual championships of the Civil Service AA held at Chiswick on Saturday.

Barratt won the Bowl, awarded to the individual champion, with 31 points from G. J. Pallett (Home Office), who has held it since 1932 and who scored 24½.

It was in the field events that Barratt excelled, his best effort being a good putt of 43 ft. 2½ in. to win the weight putting championships. He also won the discus event with 127 ft. 9 in. and the javelin event with 153 ft. 9 in.
